

JOINT POWERS AGREEMENT
ESTABLISHING THE
YOSEMITE AREA REGIONAL TRANSPORTATION SYSTEM
AUTHORITY

THIS JOINT POWERS AGREEMENT ("JPA") is entered into, effective as of the 21st of September, 1999, by and among the Counties of Merced, Mariposa and Mono, political subdivisions of the State of California ("Parties").

RECITALS:

WHEREAS, the California Joint Exercise of Powers Act ("Act") (California Government Code Section 6500 et seq.) authorizes two (2) or more public agencies to jointly exercise any power common to them; and

WHEREAS, the Parties to this JPA possess in common the powers to plan, operate, manage, and evaluate transportation improvements within and among their respective jurisdictions around Yosemite National Park; and

WHEREAS, the Parties to this JPA possess in common the authority to acquire and expend funds towards transportation needs, including regional transit service, and to plan for, establish, manage, and evaluate transportation improvements, including regional transit service; and

WHEREAS, the Parties, the Yosemite Area Regional Transportation Strategy Board and the National Park Service have jointly examined the many issues associated with transportation alternatives, and have expressed many common goals and objectives; and

WHEREAS, the continued growth in visitation to Yosemite National Park necessitates the development of regional transportation alternatives in the incorporated and unincorporated areas of the Counties of Mariposa, Merced, and Mono; and

WHEREAS, it is the expectation and hope of the Parties to this JPA that the administrative costs of operating the Yosemite Area Regional Transportation System Authority, a public agency created by this JPA, can be defrayed by utilizing Federal, State and other grant funds and that funding for administrative costs shall be sought from Parties to this JPA only as a last resort; and

WHEREAS, the Parties to this JPA desire to work together in a cooperative and mutually beneficial manner with the National Park Service (NPS), The State Department of Transportation (Caltrans), The U.S. Forest Service, and all other agencies with responsibilities for transportation in and around Yosemite National Park.

NOW, THEREFORE, it is mutually agreed as follows:

1. **DEFINITIONS**

As used herein, the following words have the following meanings:

1.A. "Authority" means the Yosemite Area Regional Transportation System Authority, a California joint powers agency, created by this JPA.

1.B. "Board" means the Yosemite Area Regional Transportation System Authority Board of Commissioners which shall be the governing body of the Yosemite Area Regional Transportation System Authority created pursuant to this JPA.

1.C. "Controller" means the Controller of the Authority as appointed by the Board.

1.D. "Gateway or gateway community" means the communities in the Counties in the Yosemite region generally lying on or near the primary highway corridors

(State Highway 120, State Highway 132 East and West, State Highway 395, State Highway 140 and State Highway 41 corridor) leading into Yosemite National Park.

1.E. "Party" means any public agency which pursuant to governing body authority has executed this JPA.

1.F. "Passenger Bus Service" means regularly scheduled passenger bus service to the extent such service is authorized or permitted by State and Federal law.

1.G. "Treasurer" means the Treasurer of the Authority as appointed by the Board.

1.H. "Yosemite Area Regional Transportation Strategy," is the precursor organization to the Authority created by this JPA, which was formed by Memorandum of Understanding by and among Mariposa, Madera, Merced, Mono and Tuolumne Counties, the National Park Service, Caltrans and the National Forest Service in 1992.

1.I. "Yosemite" means the area designated as Yosemite National Park.

2. STATEMENT OF PURPOSE

The Parties have joined together to establish the Authority for the following reasons:

2.A. Initially for the purpose of undertaking a demonstration project instituting passenger bus service to serve the geographic jurisdictions of the Parties and within Yosemite, as well as any other areas that the Board may deem appropriate. The initial term of the demonstration project shall be two (2) years from beginning of service.

2.B. Yosemite National Park's management plans, policies and implementation programs affect the local economies of the gateway communities to Yosemite National Park which depend on tourism as an important source of economic vitality, and affect the Authority's plans, policies and implementation programs, making establishing and increasing coordination and communication between the National Park Service and the Parties hereto an important purpose of this Authority.

2.C. To accommodate the increasing demand for visitation to Yosemite National Park through an increasing number of transportation options for visitors and employees.

2.D. To develop transportation alternatives in ways that do not degrade the visitor experience or the natural resources in the region.

2.E. To undertake coordinated political and administrative efforts necessary to resolve issues, obtain funding from outside sources, and to keep projects and programs on schedule.

3. ESTABLISHMENT OF THE AUTHORITY

3.A. **Separate Entity.** Upon execution of this Agreement, the Parties hereto hereby establish the Yosemite Area Regional Transportation System Authority, as a public entity separate and distinct from its member entities, as the agent to exercise the common powers provided for in this JPA and to administer or otherwise execute the stated functions and purposes of this JPA, including, but not limited to, the planning, establishment and management of the Yosemite Area Regional Transit System.

3.B. **Regional Function.** The Authority shall function as the regional representative, within the combined territory of the Parties to this JPA, for transit and alternative transportation, as well as for supplemental and related matters to carry out the stated functions and purposes of this JPA. In this role, the Authority may offer comments, recommendations and advice with regard to Yosemite National Park's management plans, policies and implementation programs, which affect transit and transportation.

3.C. **Cooperative Agreement with NPS.** In order to ensure that the Authority and the National Park Service establish the desired close working relationship, which all parties

and agencies agree is necessary if the Authority is to fulfill its purposes, and recognizing that statutory provisions restrict Federal agencies' ability to participate as signatories to this Joint Powers Agreement, upon its establishment the Authority shall immediately enter into a written agreement with the National Park Service which shall delineate the various responsibilities of the NPS and the Authority, and which shall detail the National Park Service's commitment to, and funding obligations for, the operations of the Authority and of the transit system to be planned, established, managed, and evaluated by the Authority and the National Park Service.

3.D. NPS Cooperative Agreement Required. Notwithstanding any other provision of this JPA, if the cooperative agreement between the Authority and the National Park Service referenced in Paragraph 3.C. above is not entered into by both parties within thirty (30) days of the establishment of the Authority, or within any period of extension agreed to by the Authority, then this JPA shall be dissolved, and the Parties hereto shall have no further obligations with respect to the terms of this JPA.

3.E. Participation of Federal and State Agencies. The Parties further agree to work in cooperation with other agencies as ex-officio, non-voting members of the Authority and/or pursuant to any memorandum of understanding or cooperative agreement between any agency and the Authority. Upon the establishment of the Authority, the USDA National Forest Service, Federal Highway Administration, Federal Transit Administration, Caltrans and the State Department of Tourism may be included as participating non-voting members of the Authority.

3.F. Addition of Voting Members. Voting members may be added to the Authority, subsequent to the establishment of the Authority, based on majority vote of the membership and an agreement to abide by the requirements of this Agreement, including participation in funding the administrative costs of the Authority and any other conditions that

may be required by the Board.

3.G. **Addition of Non-Voting Members.** Non-voting members may be added to the Authority, subsequent to the establishment of the Authority, based on a majority vote of the membership of this Authority.

4. **BOARD**

4.A. **Board.** The Authority shall be governed by the Board of Commissioners, which shall be comprised of one voting Commissioner from each of the Parties to this JPA.

4.B. **Designation of Representatives.** Each Party shall designate one Board Commissioner and at least one alternate Commissioner from among the elected officials of any publicly elected political office within its geographic limits. Designees of ex-officio and/or non-voting members of the Board, need not be elected officials.

4.C. **Term of Office.** Each Commissioner and alternate shall serve at the pleasure of the Party designating that Commissioner or alternate. However, in no case shall the term of office of any Commissioner or alternate appointed by virtue of holding elected office exceed the term of his or her elected office.

4.D. **Quorum and Voting Requirements.** A quorum for conducting all matters of business shall be a majority of the voting members of the Board. The affirmative vote of at least a majority of the voting members of the Board shall be required for the approval of any matter of official business (unless a greater number is required elsewhere in this JPA or by any resolution, ordinance or statute). Abstaining votes shall be counted as consenting to the will of the majority. In the event of a tie vote, abstaining votes shall be counted as affirmative votes. The affirmative vote of a majority of the voting members of the entire Board shall be required to approve all expenditures.

4.E. **Time and Place of Meetings; Brown Act Compliance.** The Board shall adopt rules of procedure and shall establish a time and place for regular Board meetings. All Board meetings shall be conducted in accordance with the Ralph M. Brown Act, California Government Code, section 54950 et seq.

5.A. **Powers and Functions of Authority.** The Authority shall have the non-exclusive common power of the Parties hereto to plan, establish, manage, and evaluate passenger bus service and other regional transit and transportation improvements and services within and among their respective jurisdictions and Yosemite National Park, as well as the power to carry out all other activities necessary or supplemental to the provision of passenger bus service and other regional transit and transportation improvements and services for the benefit of the general public.
