Appendix F:	Service Standards and Policies
Appendix G:	YARTS JPA Resolution

I. Introduction:

Background

The Yosemite Area Regional Transportation System (YARTS) provides public fixed route transit service into Yosemite National Park (YNP), covering a 480-mile service area (see service area map below). Since its initial services began in May 2000, YARTS has grown into a vibrant and extensive public transit system. The transit service is important to various “Gateway Communities” in the adjacent counties including Sonora, Merced, Fresno, and Mammoth Lakes. YARTS operates as a thruway bus service for Amtrak and the interline bus service for Greyhound.

Ridership has grown by approximately 50% over the last 20 years and includes both visitors to the park as well as National Park Service (NPS) employees. Ridership also consists of passengers who use the service to reach the City of Merced for shopping, academics (Merced College and UC Merced), recreation, medical appointments, and other transportation connection services. The table below shows YARTS ridership from fiscal year 17/18 to current.

YARTS Ridership													
FY 20/21	Jul-20	Aug-20	Sep-20	Oct-20	Nov-20	Dec-20	Jan-21	Feb-21	Mar-21	Apr-21	May-21	Jun-21	Total FY 20/21

YARTS is governed by a Joint Powers Authority (JPA) comprised of ten (10) elected officials, from its five member counties that serve as Directors of the Board. The YARTS JPA makes operational and procedural decisions with important information provided by the Authority Advisory Committee (AAC), partnering agencies, and members of the public.

YARTS operates the following service corridors:

- Year-round along Highway 140 (Merced-Mariposa-YNP): YARTS operates year-round on Highway 140 between Merced and Yosemite National Park, through Mariposa County with multiple trips per day. The number of trips varies by season. In Merced, YARTS connects with Greyhound, Amtrak, and the Merced Airport.
- Summer-only on Highway 120 East and Highway 395 (Mammoth Lakes-June Lake- Lee Vining -YNP): This service typically operates June through mid-October depending on weather conditions. The corridor connects with the local transit provider, Eastern Sierra Transit Authority (ESTA) in Mammoth Lakes. The ESTA has Reno, Nevada, (Amtrak, Greyhound and Reno Airport) and Lancaster, CA, (Metrolink) as final destinations to the north and south.
- Summer-only on Highway 120 (Sonora-Jamestown-Groveland-YNP): This service typically operates May through September and connects the Tuolumne County communities to Yosemite National Park.
- Highway 41 Service to Fresno: Fresno service began May 23, 2015, and currently operates seasonally (May-September). Full funding is provided by Madera & Fresno Counties, using local monies.

YARTS Service Area Map:

FTA Grant Recipient Requirements:

The YARTS JPA is required by the Federal Transit Administration (FTA) to conform to Title VI of the Civil Rights Act of 1964 and its amendments. Title VI of the Civil Rights Act of 1964 requires that no person in the United States, shall, on the grounds of race, color or national origin, be excluded from, be denied the benefits of, or be subjected to discrimination, under any program or activity receiving federal financial assistance. Presidential Executive Order 12898 addresses environmental justice in minority and low-income populations. Presidential Executive Order 13166 addresses services to those individuals with Limited English proficiency. The rights of women, the elderly, and the disabled are protected under related statutes. These Presidential Executive Orders and the related statutes fall under the umbrella of Title VI.

YARTS is committed to enforcing the provisions of Title VI and protecting the rights and opportunities of all persons associated with YARTS or affected by its programs. YARTS' commitment includes vigorously enforcing all applicable laws and regulations that affect YARTS and those organizations, both public and private, which participate and benefit through YARTS' programs.

YARTS will take positive and realistic affirmative steps to ensure that all persons and/or firms wishing to participate in YARTS' programs are given an equal and equitable chance to participate.

YARTS' subrecipients and contractors (if any) are required to prevent discrimination and ensure nondiscrimination in all of their programs, activities and services.

YARTS is responsible for providing leadership, direction, and policy to ensure compliance with Title VI of the 1964 Civil Rights Act. Any person or firm who feels that they have been discriminated against, or would like more information, is encouraged to contact YARTS or the Federal Transit Administration (FTA):

Yosemite Area Regional
Transportation System
Attn: Transit Manager
357 West 18th Street
Merced, CA 95340
(209) 723-3111
(209) 723-0322 (fax)

FTA Office of Civil Rights
Attn: Title VI Program Coordinator
East Building, 5th Floor-TCR
1200 New Jersey Ave,
SE Washington, DC 20590

Pursuant to Title VI, YARTS affirms that:

1. No person on the basis of race, color, or national origin will be subjected to discrimination in the level and quality of transportation services and transit-related benefits.
2. YARTS will compile, maintain, and submit in a timely manner Title VI Information required by the Federal Transit Administration.
3. Those persons alleging discrimination on the basis of race, color, or national origin as it relates to the provision of transportation services and transit-related benefits, may file a complaint with YARTS, the Federal Transit Administration (FTA), and/or the U.S. Department of Justice.

In addition, YARTS will take the following actions to ensure its continued compliance with Title VI, as listed below and further discussed within this Title VI Program:

1. YARTS will annually submit Title VI program Certifications and Assurances to the Federal Transit Administration.
2. YARTS has developed procedures for investigating and tracking Title VI complaints filed against YARTS and will make procedures for filing a complaint available to members of the public upon request. (See Section II.A.)
3. YARTS will maintain a list of any active investigations conducted by FTA and non-FTA entities, lawsuits, or complaints naming YARTS that allege discrimination on the basis of race, color, or national origin. This list shall include the date of the investigation, lawsuit, or complaint; a summary of the allegations(s); the status of the investigation, lawsuit, or complaint; and actions taken by YARTS in response to the investigation, lawsuit, or complaint. (See Section II.D.)
4. YARTS will ensure individuals who are Limited English Proficient (LEP) have meaningful access to YARTS programs and activities. Interpreting services are available for individuals who are LEP at The Bus's administrative office - which is also shared by YARTS - as well as through the transit dispatch.
5. YARTS operates programs without regard to race, color, and national origin. The Title VI Statement policy documents procedures that the public should follow in order to request additional information on YARTS' nondiscrimination obligations as well as procedures to file a discrimination complaint against YARTS.
6. If requested, YARTS will provide information other than that required of FTA C 4701.1B in writing to investigate complaints of discrimination or to resolve concerns about possible non-compliance with Title VI.
7. YARTS will update its Title VI program every three years and submit the update to the Federal Transit Administration. The next Title VI program will be submitted and uploaded to TRAMS 60 days prior to the due date.

II. General Reporting Requirements

Monitoring Subrecipients

Chapter III, Section 12 of the Circular requires primary recipients to monitor their subrecipients for compliance with the US DOT Title VI regulations. YARTS is the primary recipient for FTA 5311 (f) Intercity Bus funding. Subrecipients are required to enter into agreements with YARTS for projects and must comply with all pertinent federal requirements including, but not limited to, Title VI. YARTS includes language in all contracts with subrecipients that indicate adherence with all federal contract provisions, including Civil Rights – Section 13 requirements.

List of Posting Locations of the Title VI Notice

The Title VI Notice can be found in Appendix B. This notice is posted at the locations below.

	Location	Address
1	YARTS administration office (reception desk, large conference/meeting room)	357 W. 18th Street, Merced, CA 95340
2	Merced Transportation Center	710 W. 16th Street, Merced, CA 95341
3	YARTS Website	yarts.com
4	On-board YARTS buses	NA

Title VI Complaint Procedures English

This document outlines the Title VI complaint procedures related to providing programs, services, and benefits. It does not deny the complainant the right to file formal complaints with the California Department of Transportation, the Secretary of the US Department of Transportation, Equal Employment Opportunity Commission (EEOC), Federal Highway Administration (FHWA), Federal Transit Administration (FTA), or to seek private counsel for complaints alleging discrimination, intimidation, or retaliation of any kind that is prohibited by law.

Title VI of the Civil Rights Act of 1964 requires that no person in the United States shall, on the grounds of race, color or national origin, be excluded from, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

1. Title VI complaint forms may be downloaded from www.yarts.com. The complainant may also submit a written statement that contains all of the following information:
 - a. Name, address, and telephone number of the complainant.
 - b. The basis of the complaint (race, color, national origin).
 - c. The date or dates on which the alleged discriminatory event or events occurred.
 - d. The nature of the incident that led the complainant to feel discrimination was a factor.
 - e. Names, addresses and telephone numbers of persons who may have knowledge of the event.

- f. Other agencies or courts where complaint may have been filed and a contact name.
2. Complainant's signature and date. If the complainant is unable to write a complaint, YARTS staff will assist the complainant, if requested by complainant.
3. Complainants have the right to complain directly to the appropriate federal agency. Complaints must be filed within one-hundred eighty (180) calendar days of the last alleged incident.
4. YARTS will begin an investigation within fifteen (15) working days of receipt of a complaint.
5. YARTS will contact the complainant in writing no later than thirty (30) working days after receipt of complaint for additional information, if needed. If the complainant fails to provide the requested information in a timely basis, YARTS may administratively close the complaint.
6. YARTS will complete the investigation within ninety (90) days of receipt of the complaint. If additional time is need for investigation, complainant will be contacted. A written investigation report will be prepared by the investigator. This report shall include a summary description of the incident, findings and recommended corrective action.
7. A closing letter will be provided to the complainant and the respondent or respondent department. Parties will have five (5) working days from receipt of the closing letter to appeal. If neither party appeals, the complaint will be closed.
8. If required, the investigation report will be forwarded to the appropriate federal agency.

Complaints may be mailed or faxed to the address below:

Title VI Complaint Procedures Spanish

Este documento describe los procedimientos de queja del Título VI relacionados con la prestación de programas, servicios y beneficios. NO niega al demandante el derecho a presentar quejas formales ante el Departamento de Transporte de California, el Secretario del Departamento de Transporte de Estados Unidos, la Comisión de Igualdad de Oportunidades de Empleo (EEOC), la administración Federal de Carreteras (FHWA), la Administración Federal de Transito (FTA), o buscar un abogado privado para denuncias de discriminación, intimidación o represalias de ningún tipo que esté prohibido por la ley.

Título VI del Acta de Derechos Civiles de 1964 requiere que ninguna persona en los Estados Unidos será, por motivos de raza, color u origen nacional, ser excluida de, ser negado los beneficios de, o ser sujeto a discriminación bajo cualquier programa o actividad que reciba asistencia financiera federa.

Procedimiento de Quejas del Título VI

1. Los formularios de queja del Título VI pueden ser descargados de www.yarts.com o solicitarse a la Administración de Transito. Asimismo, el demandante podrá presentar una declaración por escrito que contenga toda la información siguiente:
 - a. Nombre, domicilio, y número de teléfono del demandante.
 - b. La base de la queja (raza, color, origen nacional)
 - c. La fecha o fechas en que se produjo el evento o eventos discriminatorios alegados.
 - d. La naturaleza del incidente que llevó al autor a sentir que la discriminación fue un factor.
 - e. Nombres, domicilios y números de teléfono de las personas que pueden tener conocimiento del evento.
 - f. Otras agencias o corte donde se pudo haber presentado denuncia y un nombre de contacto.
 - g. Firma y fecha del demandante.
2. Si el demandante es incapaz de escribir una queja, el personal de YARTS asistirá al demandante, a petición del demandante.
3. Los denunciantes tienen derecho a quejarse directamente a la agencia federal correspondiente. Las quejas deben ser presentadas dentro de los ciento ochenta (180) días calendarios a partir de la última presunto incidente.
4. YARTS comenzara una investigación dentro de los quince (15) días siguientes de recibir una queja del Demandante.
5. YARTS se pondrá en contacto con el demandante por escrito no más tarde de treinta (30) días hábiles después de recibir la queja para obtener información adicional, si es necesario. Si el demandante no puede proporcionar la información solicitada en forma oportuna, YARTS puede cerrar administrativamente la denuncia.
6. YARTS completará la investigación dentro de los noventa (90) días siguientes a recibir la queja. Si se necesita más tiempo para la investigación, el denunciante será contactado. Un informe de investigación escrito será preparado por el investigador. Este informe incluirá una descripción resumida de los hechos, las conclusiones y las acciones correctivas recomendadas.

7. Una carta para cerrar la queja será proporcionada al demandante y el demandado o el departamento respondiente. Todos tendrán cinco (5) días hábiles desde el día que la carta es recibida para apelar. Si ninguna apelación es recibida de ambas partes, la queja será cerrada.
8. Si es necesario, el informe de la investigación será remitida a la agencia federal correspondiente.

Las quejas pueden ser enviadas por correo o por fax a la siguiente dirección:

List of Investigations, Lawsuits, and Complaints

All recipients shall prepare and maintain a list of any of the following that allege discrimination on the basis of race, color, or national origin:

- Active investigations conducted by FTA and entities other than FTA;
- Lawsuits; and
- Complaints naming the recipient.

There have been no transit-related Title VI complaints during the past three years. There have also been no Title VI investigations or lawsuits. Should YARTS receive any transit-related Title VI complaints, conduct any Title VI investigations, or be named in any Title VI lawsuits, this information will be documented in a matrix such as that shown below.

This matrix shall include the date that the transit-related Title VI investigation, lawsuit, or complaint was filed; a summary of the allegation(s); the status of the investigation, lawsuit, or complaint; and actions taken by YARTS in response, or final findings related to the investigation, lawsuit, or complaint. This list shall be included in the Title VI Program submitted to FTA every three years.

III. Limited English Proficiency (LEP) Plan

Introduction

This Limited English Proficiency (LEP) Plan has been prepared to address the responsibilities of the Yosemite Area Regional Transportation System (YARTS) as a recipient of federal financial assistance as they relate to the needs of individuals with limited English language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, Federal Transit Administration Circular 4702.1B dated October 1, 2012, which states that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled Improving Access to Services for Persons with Limited English Proficiency, indicates that differing treatment based upon a person's inability to speak, read, write, or understand English is a type of national origin discrimination. It directs each federal agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds.

Plan Summary

YARTS, as the owner and operator, has developed this LEP Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency who wish to access services provided. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP individuals that assistance is available.

In order to prepare this plan, YARTS undertook the U.S. Department of Transportation (U.S. DOT) four-factor LEP analysis which considers the following factors:

1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a YARTS program, activity or service.
2. The frequency with which LEP persons come in contact with YARTS programs, activities or services.
3. The nature and importance of programs, activities or services provided by YARTS to the LEP population.
4. The resources available to YARTS and overall cost to provide LEP assistance.

Summary of Four-Factor Analysis

Based on the four-factor analysis, YARTS developed its LEP plan as outlined in the following section.

1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a YARTS program, activity, or service.

Staff reviewed U.S. Census Data for the transit service area and determined that 14,791 persons (14.4% of the service area population) have limited English proficiency; that is, they speak English less than “very well.” Of those persons with limited English proficiency, 11,760 (11.4%) speak Spanish, and 2,320 (2.3%) speak Asian and Pacific Island languages.

The largest LEP service area populations exist in Merced, where 30,239 persons speak Spanish, and 5,695 persons speak Asian and Pacific Island languages.

Source: U.S. Census Bureau, 2017 - 2021 American Community Survey 5-Year Estimates, Language Spoken at Home

YARTS ridership is largely visitors and employees going into and coming from Yosemite National Park (YNP). Many of the YNP visitors come from outside the region (with significant numbers from outside California and from outside the U.S.). Park employees use the Highway 140 Route as well. A small amount of other ridership also exists on the Highway 140 Route, with Merced being the destination.

Most employees live near YNP, which lessens park employee ridership from Merced. According to the U.S. Census Bureau, 28.8% of the Merced City population has income below the poverty level. With minority populations in Merced City having very low incomes, the number of LEP individuals who have the resources to visit YNP on a recreational trip might be limited.

Regardless, YARTS addresses the LEP population in Merced by preparing visually-easy-to-understand schedules and maps, by employing some bilingual drivers, by providing call-in assistance with bilingual service staff, and by providing translation services at public meetings, if requested. Translation is also provided on the YARTS website through Google Translate.

2. The frequency with which LEP persons come in contact with YARTS programs, activities or services. YARTS assessed the frequency with which staff and drivers have, or could have, contact with LEP persons.

This includes documenting phone inquiries and surveying vehicle operators for requests for interpreters and translated documents.

LEP individuals do have contact with the bus drivers. Since there are frequently foreign riders also with English-language deficiencies, it proves difficult to discern if the passengers are LEP persons from the region. As previously noted, YARTS receives substantial ridership from foreign visitors.

In July 2023, a survey of YARTS drivers was conducted to determine the frequency with which LEP persons come into contact with YARTS services. The survey resulted in the following findings:

- Nine out of fourteen drivers speak only English. Twenty-eight and six tenths (28.6) percent speak Spanish, 14.3 percent speak Hmong and 7.1 percent (one individual each) speak Portuguese, Chinese, or Tagalog.
- When asked what languages they encounter, the most commonly cited response was Spanish (85.7 percent of respondents). Chinese was the next most frequently cited (21.4 percent). Tagalog, Vietnamese, Arabic, and German were each cited by just one respondent (7.1 percent each).
- When asked how many unique LEP individuals they encounter during a typical week, respondents were most likely to say “Less than 5” or “5 to 10” (35.7 percent each). Fourteen and three tenths percent said they never encounter LEP individuals, while the same percentage of respondents said they encounter “More than 10”.
- None of the respondents indicated having frequent issues or problems communicating with LEP individuals. Fifty-seven and one tenths (57.1) percent said they had occasional issues, while the rest indicated they had no issues (42.9 percent).
- When asked how their personal language capabilities impact their ability to interact with YARTS riders, 26.6 percent indicated they improve their ability to communicate, 64.3 percent said they had no impact, and 7.1 percent said they hinder their ability to communicate.
- Fifty (50) percent of the respondents indicated that a translated service brochure or translated materials online would be beneficial in communicating with LEP individuals, while 42.9 percent said they would like on-board notices in other languages. Twenty-one and four tenths percent (21.4) said that cards with common phrases with translations into multiple languages would be helpful. Seven and one tenths (7.1) percent said, ‘treating people like humans’, live translation services through dispatch, or

utilizing Google Translate would be of most benefit to riders who do not speak English. (It should be noted that the YARTS website includes a Google Translate widget which translates online text into 132 languages, though linked documents and websites are not translated.)

- The most common information requested by LEP riders is basic directions or instructions (71.4 percent). How to use YARTS (28.6 percent) and how to pay for YARTS (14.3 percent) were other common information needs.

Persons with limited English proficiency in need of assistance are directed to the YARTS help line. Phone inquiries are logged by the YARTS service provider, Transdev. During the dates of July 7, 2023, through July 14, 2023, Transdev dispatchers logged the calls received on the help line. None of the callers had limited English proficiency. On an annual basis, very few calls are received from LEP individuals.

3. The nature and importance of programs, activities or services provided by YARTS to the LEP population.

YARTS provides transit service to the Yosemite region for park visitors and employees. Recreational trips on YARTS make up a significant portion of the YARTS ridership. Most employees (non-LEP) live near YNP in El Portal and Midpines. YARTS also carries a small number of riders making trips to Merced for shopping, academics (at Merced College or at U.C. Merced), recreational activities, medical appointments, and transportation connection purposes.

The largest LEP service populations exist in Merced, where 30,239 persons speak Spanish, and 5,695 persons speak Asian and Pacific Island languages. YARTS could provide Merced's LEP population with recreational transit trips to Yosemite National Park.

4. The resources available to YARTS and overall cost to provide LEP assistance.

Spanish-translated documents relating to fares, important meetings, and transit rules have been posted on all buses, at the Transpo Center, the YARTS website and social media. Whenever there are important changes or meetings, staff provide translated notices to reach out to LEP individuals. It is expected that YARTS will interact with LEP individuals at community events, workshops, public hearings and at the downtown Merced Transpo Center. YARTS has a helpline that has Spanish-speaking customer service staff. YARTS' service provider, Transdev, receives public inquiries, and assists LEP callers in Spanish, as needed. Some of the YARTS drivers (4 out of 14) are Spanish speaking. On an as-needed basis, YARTS provides Spanish interpretation and translation of notices and meeting materials and have Spanish-speaking staff on-hand at public meetings. YARTS also utilizes Language Line solutions to provide on-demand over-the-phone telephone interpreting which permits the oral transmission of a message from one language to another. Language Line Service Interpreters listen to the customer with limited English proficiency, analyze the message and convey its original meaning to the YARTS staff member.

YARTS receives substantial ridership from foreign visitors, who may or may not have difficulties with English. Given the many different countries of origin, having available Google Translate on the YARTS website helps YARTS to reasonably accommodate translations in various languages.

SAFE HARBOR

Based off the four-factor analysis, it has been determined that Spanish is the only language that must be translated. The only two language groups besides English and Spanish that exceed the threshold of 1,000 LEP individuals are Indo-European and Asian and Pacific Island. Because specific languages, such as Chinese, Tagalog or Vietnamese are aggregated into these larger language group categories, we are unable to determine exactly how many LEP persons speak those languages. Also, based on call logs, and driver survey data, Chinese, Vietnamese, or Tagalog speaking persons do not appear to come into regular contact with YARTS in a manner that would prompt the need to provide vital documents in those languages. The LEP passengers, who have limited English proficiency, depending on the circumstances, will either be provided an interpreter as requested or can use YARTS' on-demand interpretive services through Language Line.

SAFE HARBOR PROVISION

The Federal Transit Authority Circular 4702.1B states:

"DOT has adopted DOJ's Safe Harbor Provision, which outlines circumstances that can provide a "safe harbor" for recipients regarding translation of written materials for LEP populations. The Safe Harbor Provision stipulates that, if a recipient provides written translation of vital documents for each eligible LEP language group that constitutes five percent (5%) or 1,000 persons, whichever is less, of the total population of persons eligible to be served or likely to be affected or encountered, then such action will be considered strong evidence of compliance with the recipient's written translation obligations. Translation of non-vital documents, if needed, can be provided orally. If there are fewer than 50 persons in a language group that reaches the five percent (5%) trigger, the recipient is not required to translate vital written materials but should provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

These safe harbor provisions apply to the translation of written documents only. They do not affect the requirement to provide meaningful access to LEP individuals through competent oral interpreters where oral language services are needed and are reasonable. A recipient may determine, based on the Four Factor Analysis, that even though a language group meets the threshold specified by the Safe Harbor Provision, written translation may not be an effective means to provide language assistance measures. For example, a recipient may determine that a large number of persons in that language group have low literacy skills in their native language and therefore require oral interpretation. In such cases, background documentation regarding the determination shall be provided to FTA in the Title VI Program."

Language Assistance

Our agency provides interpreters for anyone who requests them, at no cost. Notices are posted

on our buses to inform passengers that interpreters may be requested. For special outreach or public meetings, interpreters may also be requested.

Limited English Proficiency (LEP) Plan Outline

How YARTS and staff may identify an LEP person who needs language assistance:

1. Examine records to see if requests for language assistance have been received in the past, either at meetings or over the phone, in order to determine whether language assistance might be needed at future events or meetings. As of 2020, no requests have been made for translation services.
2. Have a staff person greet participants as they arrive at YARTS sponsored events. By informally engaging participants in conversation, it is possible to gauge each attendee's ability to speak and understand English.
3. Vehicle operators and other front-line staff, like dispatchers and customer service representatives, will be surveyed on their experience concerning any contacts with LEP persons.
4. YARTS staff ride routes and engage with passengers, which helps to identify future needs for LEP persons, and helps to get feedback to improve our efforts.

Language Assistance Measures

There are numerous language assistance measures available to LEP persons, including both oral and written language services. There are also various ways in which YARTS staff responds to LEP persons, whether in person, by telephone, or in writing.

1. YARTS will continue to provide vital information to LEP groups on YARTS programs and services at education and outreach events.
2. Network with local human service organizations that provide services to LEP individuals and seek opportunities to provide information on YARTS programs and services.
3. Placement of statements in notices and publications that interpreter services are available for these meetings, with three-day advance notice.
4. Survey bus drivers and other front-line staff, like dispatchers and customer service representatives on their experience concerning any contacts with LEP persons.
5. Post the YARTS Title VI Program, inclusive of the Policy, LEP Plan, and PPP plan, on the agency website, www.yarts.com.
6. The YARTS website has Google Translate for LEP riders.
7. All postings and/or newspaper ads regarding meetings, changes, or any important information are always translated, as needed.
8. When an interpreter is needed, for a language other than Spanish, in-person or on the telephone, staff will attempt to access language assistance services from a professional

translation service, which usually is a private consultant or qualified community volunteers.

9. YARTS will continue to utilize Language Line for on-demand interpretive services for persons with limited English proficiency.

Staff Training

The following training is provided to YARTS staff:

1. Information on the YARTS Title VI Procedures and LEP responsibilities
2. Description of language assistance services offered to the public
3. Documentation of language assistance requests
4. How to handle a potential Title VI / LEP complaint

Outreach Techniques

When staff prepares a document or schedules a meeting, for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers, and agendas will be printed in an alternative language based on the known LEP population. Interpreters will be available as needed.

Monitoring and Updating the LEP Plan

YARTS will update the LEP every three years as required by U.S. DOT or when it is clear that higher concentrations of LEP individuals are present in the YARTS service area. Updates will include the following:

- The number of documented LEP person contacts encountered
- How the needs of LEP persons have been addressed
- Determination of the current LEP population in the service area
- Determination as to whether the need for translation services has changed
- Determine whether local language assistance programs have been effective and sufficient to meet the need
- Determine whether YARTS's financial resources are sufficient to fund language assistance resources needed
- Determine whether YARTS has fully complied with the goals of this LEP Plan
- Determine whether complaints have been received concerning YARTS's failure to meet the needs of LEP individuals.

Dissemination of the LEP Plan

Yosemite Area Regional Transportation System (YARTS)
Title VI Program, 2020-2023

A link to the YARTS LEP Plan and the Title VI Procedures is included on the YARTS website at www.yarts.com.

Any person or agency with internet access will be able to access and download the plan from the YARTS website. Alternatively, any person or agency may request a copy of the plan via telephone, fax, mail, or in person and shall be provided with a copy of the plan at no cost. LEP individuals may request copies of the translated plan which YARTS will provide.

Questions or comments regarding the LEP Plan may be submitted to:

Yosemite Area Regional Transportation System

Merced, CA 95340
(209) 723-3111
(209) 723-0322 (fax)

IV. Public Participation Plan (PPP)

Introduction

The Yosemite Area Regional Transportation System (YARTS) provides intercity transit service for the Counties of Merced, Mariposa, Mono, and Tuolumne.

YARTS transportation service planning functions include, but are not limited to, the following:

- Acquiring, developing and providing for the provision of transit services in a manner that will meet the standards for maximizing public use in the most equitable, expedient, and convenient manner that is compatible with the public health, safety and well-being;
- Implementing specific transit programs selected for implementation by the YARTS Board.
- Recording and computing transit service use and reporting the same as required by local, state, and federal laws.
- Ensuring thorough cooperation, coordination, and the pooling of common resources, maximum efficiency, and economy in governmental operations with respect to providing transit services.
- Inventorying, classifying, and identifying problems that may be solved with respect to transit services, through a comprehensive plan involving multi- jurisdictional cooperation.

Purpose of the Public Participation Plan

YARTS has developed this Public Participation Plan (PPP) as a guide to meeting the requirements for public participation. This procedural document is intended to give the YARTS Board, member agencies, staff, and stakeholders guidance for public involvement and interagency consultation in the public transportation planning process. It contains procedures and strategies YARTS will use to seek and foster greater public involvement regarding public transit service. YARTS' documented participation plan defines a process for providing reasonable opportunities to be involved in any changes related to public transit service.

Public Participation Plan Development

While updating the Public Participation Plan in compliance with Federal legislation, YARTS embarked upon an evaluation of our current public participation practices by requesting input and consultation on how to best engage the public and interested parties in our transportation planning process. YARTS also performs public outreach

through quarterly meetings of the YARTS Authority Advisory Committee (AAC) and the YARTS Board, with the agendas posted on the website.

Any revisions or updates to the Public Participation Plan include a 5-day public review period and public hearing. YARTS staff will conduct a periodic review of the effectiveness of the Public Involvement Process to determine if current strategies are effective.

Public Participation Policies

The following requirements will apply as deemed appropriate by the YARTS management staff and the YARTS Board:

1. No person shall be denied participation in the public participation process.
2. As required, a public notice will be placed in the legal advertising sections of at least one newspaper of general circulation within the affected community.
3. YARTS shall provide appropriate assistance, auxiliary aids, a translator/interpreter for non-English-speaking individuals and/or services when necessary if requested three working days in advance of the meeting, to afford individuals an equal opportunity to participate. If YARTS is unable to accommodate a request for a public hearing, then the hearing will be continued on a specified date when accommodations are available.
4. YARTS meeting agendas and minutes are currently made available upon written request via regular mail, and they are added regularly to the YARTS internet website <http://www.yarts.com>. Agendas are also posted at meeting locations at least 72 hours before regular meetings of advisory or standing committees or 24 hours before special meetings.

Note: The Brown Act (CA Government Code 54954.1) also states that any person may request a copy of the agenda or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. That request is valid for the calendar year in which it is filed and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, said fee shall not exceed the cost of providing the service.

5. Public hearings will be held prior to a decision point as a formal means to gather citizen comments and positions from all interested parties for public record and input into the decision-making process. YARTS public outreach is required in many facets of state or federal transportation programs or planning documents. Notices for public hearings will be published in a general circulation newspaper. YARTS will accept comments from the public during the period between the notice and hearing date. These comments will be considered part of the public record. Also, during this period, YARTS will accept questions and provide clarification on issues raised by the public.
6. YARTS' media tools include the YARTS website, social media platforms, newspapers, radio, and appropriate business or government publications and contacts.

7. If major amendments are made to any plans or programs during the review and comment period, the plan(s) will be made available for an additional 30 day (as appropriate) public review and comment period prior to final adoption. Such changes may also be advertised via news release to all media outlets, on community flyers and on the YARTS website as deemed necessary in the specific project area prior to final adoption.
8. For high-profile projects/plans, YARTS calls upon the Authority Advisory Committee (AAC) to review the plan or project prior to Board consideration.

Outreach Procedures

In its public participation process, YARTS will utilize the following procedures:

1. Provide adequate public notice of public participation activities and time for public review and comment at key decision points, including but not limited to, a reasonable opportunity to comment on the proposed implementation or changes to:
 - Annual Unmet Transit Needs process. YARTS receives Local Transportation Fund (LTF) monies from the Counties of Merced, Mariposa and Mono. YARTS staff participates in the Unmet Transit Needs process of these member counties.
 - Short Range Transit Plan (SRTP) Update; next SRTP to be completed by December 2024
 - Fare Increases.
 - Service Reduction.
2. Provide timely notice and reasonable access to information about YARTS' issues and processes.
3. Employ visualization techniques to describe any changes to service, as appropriate.
4. Make public information (technical information and meeting notices) available in electronically accessible formats and means, such as the internet.
5. Hold any public meetings at convenient and accessible locations and times.
6. Demonstrate explicit consideration and response to public input received during the implementation or changes to SRTP, service changes, or fare increase.
7. Consider the needs of those traditionally underserved by existing transportation systems, such as low-income and minority households.

8. Provide an additional opportunity for public comment, if the final SRTP change differs significantly from the version that was made available for public comment by YARTS and raises new material issues which interested parties could not reasonably have foreseen from the public involvement efforts;
9. Periodically review the effectiveness of the procedures and strategies contained in this PPP to ensure a full and open participation process.
10. Update the PPP document every three years as a requirement component of Title VI Requirements and Guidelines for Federal Transit Administration Recipients (FTA Circular (FTA C 4702.1B)).

Statutory and Regulatory Requirements

Brown Act

The Brown Act (State of California Government Code sections 54950-54962) governs the meeting and actions of governing boards of local public agencies and their created bodies. Requirements of the Brown Act also apply to any committee or other subsidiary body of a local agency, whether permanent or temporary, decision-making or advisory, which is created by such a governing board. The Brown Act sets minimum standards for open meetings relative to access to the public, location of meetings, notice posting, agenda distribution, and public input. The public agency may adopt reasonable regulations ensuring the public's right to address the agency, including regulations to limit the total amount of time allocated for public testimony. The YARTS Governing Board and its standing committees all adhere to these requirements involving proper noticing, access and the ability to address the Board and committees.

Due to time constraints, unscheduled comments by the public may be limited to three minutes in length, however the agency encourages interested citizens to provide written copies of presentations to the Board/Committees, particularly if the statement is too long to be presented in its entirety. Citizens unable to attend the meetings may submit their concerns and ideas in writing to staff in advance of the relevant meeting – staff will then present the comments to the respective Board/Committee in either a written or oral format.

Federal Title VI

Title VI of the Civil Rights Act of 1964 (Title VI) requires that transportation planning and programming be non-discriminatory based on race, color, national origin or disability. The federal statute was further clarified and supplemented by the Civil Rights Restoration Act of 1987 and a series of federal statutes enacted in the 1990s relating to the concept of environmental justice. The fundamental principles of environmental justice include:

- Avoiding, minimizing or mitigating disproportionately high and adverse health or environmental effects on minority and low-income populations.

- Ensuring full and fair participation by all potentially affected communities in the transportation decision-making process; and
- Preventing the denial, reduction or significant delay in the receipt of benefits by minority populations and low-income communities.
- Conducting a Title VI equity analysis if a new facility has been constructed. As there has been no new facility construction for YARTS, no equity analysis has been performed

Presidential Executive Orders (EO)

An Executive Order is an order given by the President to federal agencies. As a recipient of Federal revenues, YARTS ensures its compliance with these orders.

Executive Order 12898: Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations

In February 1994, President Clinton signed Executive Order 12898, Federal Actions to Address Environmental Justice for Minority Populations and Low-Income Populations, which mandates that federal agencies make achieving environmental justice part of their missions. This order requires that disproportionately high and adverse human health or environmental effects on minority and low-income populations be identified and addressed to achieve environmental justice. Minority populations are defined in the order as Black/African American, Hispanic, Asian/Pacific Islander, American Indian and Alaskan Native. Low-income populations are defined in the order as persons whose household income (or in the case of a community or group, whose median household income) is at or below the U.S. Department of Health and Human Services poverty guidelines, with those at 0 percent of median income classified as low income and those at 50 percent of median income classified as very-low income.

Executive Order 13166: Improving Access to Services for Persons with Limited English Proficiency

Executive Order 13166 states that people who speak limited English should have meaningful access to federally conducted and federally funded programs and activities. It requires that all federal agencies identify any need for services to those with limited English proficiency and develop and implement a system to provide those services so all persons can have meaningful access to services.

Americans with Disabilities Act (ADA)

The Americans with Disabilities Act of 1990 (ADA) stipulates involving the community, particularly those with disabilities, in the development and improvement of services. All events held for programs or projects with Federal aid and open to the public must be made accessible to everyone, including the disabled.

YARTS complies with the ADA by having accessible public meeting formats and public hearings, and by conducting outreach by maintaining an extensive mailing and email lists, developing contacts, and other means of notification to participate in the planning process.

All YARTS buses are equipped with ADA lifts.

Public Participation Outreach Strategies

- Participate in or speak at meetings of existing agencies/community groups.
- Co-host workshops with community groups, business associations, etc.
- Partner with community-based organizations in low-income and minority communities for targeted outreach, as appropriate.

Public Outreach Formats

A list of participation format options that includes tried-and-true approaches as well as new suggestions received during the Public Participation Plan development process. YARTS staff will define appropriate outreach strategies for each plan/program/service on a case-by-case basis and select appropriate options from the following lists:

- Open houses.
- Facilitated discussions (In-person and virtual)
- Question-and-Answer sessions with planners and policy board members.
- Customized presentations (In-person and virtual)
- Information booths at community events and public gathering spaces

Public Outreach Techniques – Toolbox

YARTS staff uses several techniques to provide interested parties with reasonable opportunities to be involved in the planning process. Staff understands that, prior to involvement in YARTS' planning activities, members of the public must understand what YARTS' mission is, and what issues are under consideration.

Visualization

- Maps
- Charts, illustrations, photographs
- Table-top displays and models
- Web content
- Social media content and graphics
- PowerPoint slide shows
- Videos

Polls/Surveys

- Interviews where people congregate, such as at transit hubs.
- Printed surveys distributed at meetings, transit hubs, on transit vehicles, etc.
- Web surveys, such as Typeform

Focus Groups

- Participants recruited via suggestions from key stakeholders.

- Participants recruited by interest area.

Printed Materials

- User-friendly documents (including use of executive summaries, and simplified language)
- Maps, charts, photographs, graphics, and other visual means of displaying information

Targeted Notices/Mailings/Flyers

- Work with community-based organizations to hand deliver flyers
- Mail to targeted database lists
- Distribute flyers to key community organizations
- Place notices on board transit vehicles and transit hubs

Utilize local media

- News releases
- Submit human interest stories that center around projects
- Invite reporters to news briefings
- Opinion pieces/commentaries
- Negotiate inserts into local and widespread printed media
- Place speakers on radio/tv talk shows

Electronic Access

- Website with updated content and simplified layouts
- Electronic duplication of open house/workshop materials
- Google interpreting program for website
- Access to maps, charts, plans
- Provide information in advance of public meeting
- Post event/meeting information on online news sites, calendars, community & discussion websites
- Text messaging

Public Notification

- E-mail
- Notice widely disseminated through new partnerships with community-based and interest organizations

- Newsletters
- Printed materials
- Electronic access to information
- Local Media
- Notices placed on board transit vehicles and at transit hubs

Reporting Techniques - Impact of Public Comments

- Summarize key themes of public comments in staff reports and report to YARTS AAC and Board
- Use direct mail and/or email notification summaries of public comments received at meetings and from survey participants
- Direct mail and/or email final report outcomes to stakeholders
- Newsletter articles
- Regularly update web content

Environmental Justice (EJ) Communities -Involvement Techniques

- Make regular reports to YARTS' AAC committee
- Flyers on transit vehicles and transit hubs
- Establish public outreach during community functions
- Translate materials; have translators available at meetings, if requested
- Include information on meeting notices on how to request translation assistance
- Robust use of “visualization” techniques, including maps and graphics to illustrate trends, choices being debated, etc
- Use of community events to announce participation opportunities

V. Program-Specific Requirements for Transit

There are a few key transportation initiatives that are specially called out in federal law as needing early and continuing opportunities for public participation: implementation or changes to Short Range Transit Plan (SRTP), service reduction or fare increase, and unmet needs hearings for the member counties.

These items are presented to the YARTS Authority Advisory Committee (AAC) and to the YARTS JPA Board for review, discussion, and possible action. Public comments are presented on these items at these quarterly meetings.

YARTS AAC and Board

Authority Advisory Committee (AAC)

The Authority Advisory Committee (AAC) is made up of 15 members: 10 members nominated by the YARTS Board members (with each member county nominating two members), two members nominated by NPS, Yosemite, and two members nominated by the YARTS Executive Director and one nominated by the California Department of Transportation (CALTrans). YARTS AAC committee currently has two vacancies.

Yosemite Area Regional Transportation Service (YARTS)
Title VI Program, 2020-2023

Per the AAC bylaws, the membership of the AAC is generally from the areas of transportation, visitor bureaus, economic development, tourism-related business or other such groups or organizations that may add perspective and expertise to items being considered by the AAC from time to time. YARTS also makes an effort to reach and encourage minority participation using professional connections with community groups such as the Hispanic Chamber of Commerce.

AAC Racial Breakdown

White	Black	Latino	Asian	Native American
73%	0%	13%	0%	0%

Joint Powers Authority Board (JPA)

In 2020, the Joint Powers Authority Board (JPA) was expanded to five member counties, with two representatives (county supervisors) from each of the member-counties of Merced, Mariposa, Tuolumne, Madera, and Mono. YARTS is governed by a Joint Powers Authority (JPA) comprised of ten (10) elected officials. The YARTS JPA makes operational and procedural decisions.

JPA Racial Breakdown

White	Black	Latino	Asian	Native American
100%	0%	0%	0%	0%

Short Range Transit Plan (SRTP)

The Short Range Transit Plan (SRTP) reviews the existing YARTS transit services, lays out a 5-year vision (or a longer term) for an enhanced transit system, and proposes a stepwise strategy to pursuing that vision over the next five years or longer. The adopted SRTP recommends a preferred approach for implementation of transit service that includes transit performance standards and financial revenues. The last SRTP was completed in December 2018. The LEP and PPP procedures were followed.

YARTS Procedures for Public Comments on Proposed Fare Increase

In October of 2018 the YARTS JPA Board approved a 20% fare increase to be effective in 2019. In 2020, the YARTS JPA Board approved another 15% increase in fares.

In February of 2022 the YARTS JPA Board approved a fare increase of 15% to be effective May 1, 2022.

In April of 2023 THE YARTS JPA Board approved fare adjustments to provide consistent 50% discounts for reduced fares on each route. Simplifying this standard and making it equitable across all routes simplifies the rate structure for riders and stakeholders.

Per FTA Circular Guidance, YARTS must have a policy that addresses public outreach on a transit "Fare Increase."

The Yosemite Area Regional Transportation System (YARTS) shall implement the procedures contained herein prior to raising fares.

DEFINITION: A fare increase is defined as an increase in the basic fare structure.

Public Participation Process:

Upon determination of applicability of this procedure, the process for soliciting and considering public comment before raising fares is as follows:

1. YARTS riders will be notified of a proposed fare increase not less than thirty (30) days before the YARTS Board takes action of the proposed fare change. Such notification will take place by display of information, in English and in Spanish, at the Merced Transpo Center and on each bus on a posting of at least 8½" x 11". The posting will include the proposed change, the proposed date of the change, and will provide passengers with the opportunity to provide written comment and/or to request a public hearing. The address to which written comment can be sent will be included in the notice. The deadline for written comment or request for public hearing will be included in the posting. Finally, the posting will include the date at which the YARTS Board will consider the proposed fare increase, inviting the public to attend.
2. A public notice will be placed in the local newspapers, including the Spanish newspaper, not less than thirty (30) days before such changes are scheduled to be discussed by the YARTS Board. Such notification will include the proposed change, the proposed date of the change, and will provide the public with the opportunity to comment and/or to request a public hearing. The public notice will include the address at which written comment or request for public hearing will be received, and

a deadline for receipt of such written request. In addition, the public will be invited to attend the YARTS Board meeting when the proposed fare increase is considered.

3. A public notice will also be posted on the YARTS website, which has Google translation capabilities.
4. Upon completion of the public comment period, YARTS staff will:
 - a. Determine whether a request for a public hearing has been made; and
 - b. Compile all correspondence received regarding the proposed fare increase.
 - c. If a written request for public hearing is received, staff will schedule and hold a public hearing at the YARTS Board quarterly meeting. Copies of any written comments regarding the fare increase will be prepared for presentation to the YARTS Board at the date and time stated in public notices as described above, along with specific information regarding the proposed fare increase. If no request for public hearing has been received, the YARTS Board will consider the fare increase for action at its scheduled quarterly meeting.
5. The YARTS Board will review and consider written comment regarding the proposed fare increase at the time and place published in the public information notices distributed as outlined in this procedure. The YARTS Board will also offer the opportunity for public comment at the place in the agenda where the proposed transit fare increase is discussed.
6. Upon receipt of all public comment and all written comment, the YARTS Board will be asked to approve or reject the proposed fare increase. All public comment, whether in writing or verbal, shall be considered by the YARTS Board in their decision.

Annual Unmet Transit Needs

YARTS receives Local Transportation Fund (LTF) monies from the Counties of Merced, Mariposa, and Mono. YARTS staff participates in the Unmet Transit Needs processes of these member counties.

Appendix A

Title VI Program Checklist

TITLE VI PROGRAM CHECKLIST (Chapter III)

Agency Name: Yosemite Area Regional Transportation System

- ☒ 1. Notice to the public
 - ☒ a. Race, color and national origin (Sample notice in Appendix B)
 - ☒ b. Translated into non-English languages and consistent with the agency's Limited English Proficiency (LEP) Plan (Chapter III-4)
- ☒ 2. List of locations where notice is posted, at a minimum (Chapter III-4)
 - ☒ a. Agency's website
 - ☒  b. Public areas of the agency's office(s), including reception desk and meeting rooms
 - ☒ c. Stations or stops
 - ☒ d. Transit vehicles
- ☒ 3. How to file a title VI discrimination complaint and complaint form must be on agency's website (Chapter III-5 and Appendix C and D)
- ☒ 4. List of any public transportation Title VI investigations, complaints or lawsuits filed since last submission (see Appendix E)
- ☒ 5. Public Participation Plan - Promoting Inclusive Public Participation (Chapter III-5)
 - ☒ a. Summary of outreach efforts made
 - ☒ b. Outreach plan to engage minority and limited English proficient populations (can be a component of a larger outreach for those that are traditionally underserved)
- ☒ 6. Limited English Proficiency (LEP) Plan
 - ☒ a. Four Factor Analysis (Chapter III-7)
 - ☒ i. The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or recipient.
 - ☒ ii. The frequency with which LEP persons come into contact with the program.
 - ☒ iii. The nature and importance of the program, activity, or service provided by the program to people's lives.
 - ☒ iv. The resources available to the recipient for LEP outreach, as well as the costs associated with that outreach.
 - ☒ b. Safe Harbor Provision – applies to the translation of written documents only (Chapter III-9)
 - ☒ c. Describe how the agency provides language assistance services by language (Chapter III-8)
 - ☒ d. Describe how the agency provides notice to LEP persons about the availability of language assistance
 - ☒ e. Describe how the agency monitors, evaluates and updates the language access plan
 - ☒ f. Describe how the agency trains employees to provide timely and reasonable language assistance to LEP populations
-  ☒ 7. Table depicting racial breakdown of transit-related, non-elected planning boards, advisory councils or committees. Also a description of efforts made to encourage minority participation (Chapter III-9 and Appendix F)

-  ☒ 8. If a facility has been constructed, a Title VI equity analysis must have been conducted during the planning stage regarding the location. A copy of the analysis must be provided. (Chapter III-11)
-  ☒ 9. Board Resolution or similar approving the Title VI Plan (Chapter III-1)

FIXED ROUTE TRANSIT PROVIDERS – TITLE VI PROGRAM REQUIREMENTS (Chapter IV)

- ☒ 1. Requirements are tiered – All fixed route transit providers must complete 2 and 3. Threshold: If an agency operates more than 50 fixed route vehicles in peak service and is located in an UZA of 200,000 or more, then all requirements of Chapter IV apply.
- ☒ 2. Requirement to set system-wide service standards (Chapter IV-4 and Appendix G)
- ☒ a. Vehicle load for each mode
- ☒ b. Vehicle headway for each mode
- ☒ c. On-time performance for each mode
- ☒ d. Service availability for each mode
- ☒ 3. Requirement to set service policies (Chapter IV-6 and Appendix H)
- ☒ a. Distribution of transit amenities for each mode
- ☒  i. Seating (i.e., benches, seats at stops/stations)
- ☒ ii. Bus and rail shelters
- ☒ iii. Rail platform canopies
- ☒ iv. Passenger information
- ☒ 1. Printed signs, system maps, route maps and schedules
- ☒ 2. Digital equipment such as next vehicle arrival time signs along bus routes and at fixed guideway stations
- ☒ v. Escalators
- ☒ vi. Elevators
- ☒ vii. Waste receptacles (including trash and recycling)
- ☒ b. Vehicle assignment for each mode

Appendix C

Title VI Complaint Procedures

Title VI Complaint Procedures: English

This document outlines the Title VI complaint procedures related to providing programs, services, and benefits. It does not deny the complainant the right to file formal complaints with the California Department of Transportation, the Secretary of the US Department of Transportation, Equal Employment Opportunity Commission (EEOC), Federal Highway Administration (FHWA), Federal Transit Administration (FTA), or to seek private counsel for complaints alleging discrimination, intimidation, or retaliation of any kind that is prohibited by law.

Title VI of the Civil Rights Act of 1964 requires that no person in the United States shall, on the grounds of race, color or national origin, be excluded from, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

1. Title VI complaint forms may be downloaded from www.yarts.com. The complainant may also submit a written statement that contains all of the following information:
 - a. Name, address, and telephone number of the complainant.
 - b. The basis of the complaint (race, color, national origin).
 - c. The date or dates on which the alleged discriminatory event or events occurred.
 - d. The nature of the incident that led the complainant to feel discrimination was a factor.
 - e. Names, addresses and telephone numbers of persons who may have knowledge of the event.
 - f. Other agencies or courts where complaint may have been filed and a contact name.
2. Complainant's signature and date. If the complainant is unable to write a complaint, YARTS staff will assist the complainant, if requested by complainant.
3. Complainants have the right to complain directly to the appropriate federal agency. Complaints must be filed within one-hundred eighty (180) calendar days of the last alleged incident.
4. YARTS will begin an investigation within fifteen (15) working days of receipt of a complaint.
5. YARTS will contact the complainant in writing no later than thirty (30) working days after receipt of complaint for additional information, if needed. If the complainant fails to provide the requested information in a timely basis, YARTS may administratively close the complaint.
6. YARTS will complete the investigation within ninety (90) days of receipt of the complaint. If additional time is need for investigation, complainant will be contacted. A written investigation report will be prepared by the investigator. This report shall include a summary description of the incident, findings and recommended corrective action.
7. A closing letter will be provided to the complainant and the respondent or respondent department. Parties will have five (5) working days from receipt of the closing letter to appeal. If neither party appeals, the complaint will be closed.
8. If required, the investigation report will be forwarded to the appropriate federal agency.

Complaints may be mailed or faxed to the address below:

Title VI Complaint Procedures: Spanish

Procedimiento de Queja

Este documento describe los procedimientos de queja del Título VI relacionados con la prestación de programas, servicios y beneficios. NO niega al demandante el derecho a presentar quejas formales ante el Departamento de Transporte de California, el Secretario del Departamento de Transporte de Estados Unidos, la Comisión de Igualdad de Oportunidades de Empleo (EEOC), la administración Federal de Carreteras (FHWA), la Administración Federal de Transito (FTA), o buscar un abogado privado para denuncias de discriminación, intimidación o represalias de ningún tipo que esté prohibido por la ley.

Título VI del Acta de Derechos Civiles de 1964 requiere que ninguna persona en los Estados Unidos será, por motivos de raza, color u origen nacional, ser excluida de, ser negado los beneficios de, o ser sujeto a discriminación bajo cualquier programa o actividad que reciba asistencia financiera federa.

Procedimiento de Quejas del Título VI

1. Los formularios de queja del Título VI pueden ser descargados de www.yarts.com o solicitarse a la Administración de Transito. Asimismo, el demandante podrá presentar una declaración por escrito que contenga toda la información siguiente:
 - a. Nombre, domicilio, y número de teléfono del demandante.
 - b. La base de la queja (raza, color, origen nacional)
 - c. La fecha o fechas en que se produjo el evento o eventos discriminatorios alegados.
 - d. La naturaleza del incidente que llevó al autor a sentir que la discriminación fue un factor.
 - e. Nombres, domicilios y números de teléfono de las personas que pueden tener conocimiento del evento.
 - f. Otras agencias o corte donde se pudo haber presentado denuncia y un nombre de contacto.
 - g. Firma y fecha del demandante.
2. Si el demandante es incapaz de escribir una queja, el personal de YARTS asistirá al demandante, a petición del demandante.
3. Los denunciantes tienen derecho a quejarse directamente a la agencia federal correspondiente. Las quejas deben ser presentadas dentro de los ciento ochenta (180) días calendarios a partir de la última presunto incidente.
4. YARTS comenzará una investigación dentro de los quince (15) días siguientes de recibir una queja del Demandante.
5. YARTS se pondrá en contacto con el demandante por escrito no más tarde de treinta (30) días hábiles después de recibir la queja para obtener información adicional, si es necesario. Si el demandante no puede proporcionar la información solicitada en forma oportuna, YARTS puede cerrar administrativamente la denuncia.
6. YARTS completará la investigación dentro de los noventa (90) días siguientes a recibir la queja. Si se necesita más tiempo para la investigación, el denunciante será contactado. Un informe de investigación escrito será preparado por el investigador. Este informe incluirá una descripción resumida de los hechos, las conclusiones y las acciones correctivas recomendadas.
7. Una carta para cerrar la queja será proporcionada al demandante y el demandado o el departamento respondiente.

Todos tendrán cinco (5) días hábiles desde el día que la carta es recibida para apelar. Si ninguna apelación es recibida de ambas partes, la queja será cerrada.

8. Si es necesario, el informe de la investigación será remitida a la agencia federal correspondiente.

Las quejas pueden ser enviadas por correo opor fax a la siguiente dirrección:

Yosemite Area Regional
Transportation System
Attn: Transit Manager

Service Standards and Policies

Yosemite Area Regional Transportation System (YARTS) System-wide Service Standards and Service Policies

YARTS is unique from other traditional municipal transit systems as it includes long distance and multi-county routes, therefore, system-wide service standards will vary from traditional transit systems. YARTS provides alternate transportation into Yosemite National Park (YNP). Many of these standards are included in the YARTS Short Range Transit Plan (SRTP) adopted by the YARTS Board in 2018. This SRTP is valid for a period of 5 years, at which time a new plan will be implemented and the system-wide standards will be revised to the updated SRTP.

System-wide service standards

Vehicle load for each mode: Minimum standard load factor:
 Summer/fall schedule route 140: 45%
 Winter/spring schedule route 140: 35%
 Summer route 120: 45%

The load factor in July during the peak ridership month is significantly higher than average.

Vehicle headway for each mode: The minimum standard is to provide a minimum of four round trips on Highway 140 and one round trip on Highway 120. The target objective is to meet consumer demands in all seasons with six to seven round trips daily as demand warrants.

On-time performance for each mode: YARTS minimum standard is 0.5% of trips that are not early and 95% of trips are no more than 10 minutes late to stops on average for a particular run on days without unusual weather or a traffic incident beyond control of the contractor. When a minimum of seven YARTS buses are in service, the target objective is zero percentage trips that are not early and 95% of trips that are no more than five minutes late.

Service availability for each mode: The minimum standard is to provide connection on two trips inbound to YNP and two trips outbound from YNP daily to both Amtrak and Greyhound. YARTS connects to the local transit providers in the communities we serve. YARTS provides regional transit service, linking to local transit service. The target standard is to provide connections on three trips inbound and outbound to YNP daily to both Amtrak and Greyhound. All buses in Merced go to both Amtrak and Greyhound.

Service Policies

Transit Amenities

Seating: YARTS seating amenities include benches and/or single seats where practical. Areas such as Merced Transportation Center and Amtrak provide bench seating for YARTS customers.

Bus shelters: Bus shelters are available where practical.

Rail platform canopies: By others (Amtrak)

Passenger information: Printed signs - Permanent signs are located at all stops, printed maps and schedules are available at many public locations in each community served by YARTS. YARTS website also has maps and schedules available as well as information from the YARTS help phone line. YARTS is marketed widely in all counties served. Digital equipment - Digital destination signs on all YARTS owned buses.

Escalators: N/A

Elevators: N/A

Waste receptacles: Waste receptacles are available on all buses and at a majority of the stops (where practical).

Vehicle assignments for each mode: All YARTS owned buses are 45' clean-diesel over-the-road coaches. All YARTS owned buses include 3-point seatbelts, infant seat tie downs, wheelchair lifts, secured wheelchair parking, air conditioning, heating, automatic chains and they kneel for easy access. YARTS currently contracts with VIA Adventures (current contract has been extended through October 2021) and uses their buses when necessary. VIA Adventures has both 40' and 45' buses. Bus assignments are spread so that buses wear evenly.

YARTS mission statement approved by the YARTS Board on January 24, 2011:

YARTS will provide a safe and convenient public transit alternative for access to Yosemite National Park and the communities along its service corridors in the Yosemite region, serving visitors, employees and residents in a cost-effective manner. YARTS will achieve high customer satisfaction with reliable service. YARTS will provide good connectivity to regional transportation providers in order to guarantee convenient public transportation access in the gateway corridors to Yosemite National Park. YARTS service is not intended to replace auto access or trans-Sierra travel but is intended to provide a viable alternative that offers a positive experience, emphasizing comfort and convenience for riders while guaranteeing access to the Park.

YARTS JPA Resolution

YOSEMITE AREA REGIONAL TRANSPORTATION SYSTEM

RESOLUTION No. 2023/10-16-01

RESOLUTION OF THE YOSEMITE AREA REGIONAL TRANSPORTATION SYSTEM (YARTS) APPROVING THE 2023-2026 TITLE VI PROGRAM AND POLICIES

WHEREAS, pursuant to Title VI of the Civil Rights Act of 1964, 42 U.S.C. §2000d *et seq* (“the Act”) and 49 CFR Part 21, the U.S. Department of Transportation and the Federal Transit Administration (FTA) prohibit discrimination on the basis of race, color or national origin; and

WHEREAS, as a recipient of federal funds, YARTS is required to comply with the requirements of the Act and applicable implementing regulations; and

WHEREAS, pursuant to FTA Circular 4702.1B, YARTS is required to submit its Title VI program to its governing entity for approval; and

WHEREAS, YARTS is required to update the Title VI program every three years; and

WHEREAS, YARTS is committed to a policy of nondiscrimination in the conduct of its business, including its Title VI responsibilities, and to the delivery of equitable and accessible transportation; and

WHEREAS, the YARTS Board of Directors (Board) has considered and determined to approve the agency’s 2023-2026 Title VI program and policies, which includes the Limited English Proficiency Plan; and

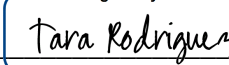

WHEREAS, the Board has authority under ORS Chapter 267 to approve by resolution the “Title VI Program”;

NOW, THEREFORE, BE IT RESOLVED:

That the Board hereby approves the agency’s 2023-2026 Title VI program and policies as set forth in the attached Exhibit A entitled “Title VI Program”.
